Welcome Message

Welcome to the 2013 Honor Choir Concert. On behalf of the CMEA Central Coast Section Board of Directors, congratulations to the top young musicians from four counties who perform today and to those who made the extraordinary effort to audition for these high caliber ensembles. Our Honors Concerts are the largest events we produce annually, building cohesion of pedagogy in the art form and establishing a high standard for music education within our section.

Students are able to expand their study of music with the support of their communities, families, teachers and school administrators by auditioning or participating in this event. Thank you for valuing arts education by supporting a young person's journey to this stage or their decision to audition. Each note represents the hard work and dedication of the student musician as well as the people behind them who help see potential and value in this life long skill that preserves culture and tradition.

The guest conductors have selected and prepared some great repertoire while winning the respect and hearts of our Central Coast students and educators. Our students have built new connections with peer musicians and have grown as young adults while preparing for this event in less than 48 hours! Thorough preparation by the wonderful conductors and the diligent work of the students is sure to bring an extra sense of refinement to the concert. If you agree, thank an administrator for keeping music in our schools and thank a teacher for supporting the professional membership of CMEA/NAfME.

Today's concert is being digitally recorded and will be available on CD. We encourage you to take advantage of this opportunity to obtain a professional recording that preserves and documents this accomplishment for your student musician and family. Ordering information can be found in the lobby.

Please plan to enjoy the entire concert. Concert etiquette and respect for the musicians asks that you silence all electronics, escort distressed children to the lobby, and use flash photography only between pieces. It is also requested that, if necessary, you enter or exit only between performances.

Thank you for supporting a truly balanced curriculum for your student that includes music education. Enjoy the concert!

Best Regards,
Drew Lewis, President

CCS 2013 High School Honor Choir Conductor

Dr. Patrick Walders, native of Buffalo, New York, maintains an active career as a professional vocalist, music educator, church musician, clinician, and conductor. He holds a bachelor's degree in music education from the State University of New York (SUNY) College at Fredonia, a master's degree in choral conducting from the Westminster Choir College and a doctorate in conducting from the University of Maryland-College Park. He has taught public school (7-12th grade) in western New York, and is passionate about teaching future music teachers, enabling them to be significant ambassadors not only for choral music, but also for all the Arts.

Appointed Director of Choral Activities within the School of Music and Dance at San Diego State University in Fall 2011, Dr. Walders conducts the Aztec Concert Choir and the SDSU Chamber Choir. From 2004-2011, he served as Director of Choral Activities at James Madison University (Virginia) overseeing undergraduate and graduate students and building the largest collegiate choral program in the Commonwealth. For four seasons, he was the Associate Conductor of the National Philharmonic Chorale, and Artistic Director of the National Philharmonic Singers—the chamber choir formed from the nucleus of the Chorale based in the state-of-the-art Performing Arts Center at Strathmore, located just outside of Washington, D.C.

As a baritone, Dr. Walders has sung professionally as a soloist and chorister throughout the northeastern United States. He currently sings with the Bach Collegium San Diego under the direction of Ruben Valenzuela. In the Washington D.C. area, he was a member of Orpheus, a professional chamber choir under the direction of Philip Cave, and The Washington Bach Consort, under the direction of J. Reilly Lewis.

Currently, Dr. Walders is Artistic Director of Voci per l'Arte, a professional chamber choir formed to supplement the annual Chorworks Summer Workshop (July) based in Washington, DC. This ensemble performs on the Friday Faculty Concert, and the culminating Sunday morning and Evensong services at the National Cathedral that are broadcast live on local television.
