Welcome Message

Welcome to the 2013 Honor Orchestra Concert. On behalf of the CMEA Central Coast Section Board of Directors, congratulations to the top young musicians from four counties who perform today and to those who made the extraordinary effort to audition for these high caliber ensembles. Our Honors Concerts are the largest events we produce annually, building cohesion of pedagogy in the art form and establishing a high standard for music education within our section.

Students are able to expand their study of music with the support of their communities, families, teachers and school administrators by auditioning or participating in this event. Thank you for valuing arts education by supporting a young person's journey to this stage or their decision to audition. Each note represents the hard work and dedication of the student musician as well as the people behind them who help see potential and value in this life long skill that preserves culture and tradition.

The guest conductors have selected and prepared some great repertoire while winning the respect and hearts of our Central Coast students and educators. Our students have built new connections with peer musicians and have grown as young adults while preparing for this event in less than 48 hours! Thorough preparation by the wonderful conductors and the diligent work of the students is sure to bring an extra sense of refinement to the concert. If you agree, thank an administrator for keeping music in our schools and thank a teacher for supporting the professional membership of CMEA/NAfME.

Today's concert is being digitally recorded and will be available on CD. We encourage you to take advantage of this opportunity to obtain a professional recording that preserves and documents this accomplishment for your student musician and family. Ordering information can be found in the lobby.

Please plan to enjoy the entire concert. Concert etiquette and respect for the musicians asks that you silence all electronics, escort distressed children to the lobby, and use flash photography only between pieces. It is also requested that, if necessary, you enter or exit only between performances.

Thank you for supporting a truly balanced curriculum for your student that includes music education. Enjoy the concert!

Best Regards,
Drew Lewis, President

California Music Educators Association • Central Coast Section

Central Coast Section is an affiliate member of the California Music Educators Association. CMEA is a Federated unit of NAfME: National Association for Music Education.

Purpose

Membership is open to all music educators working in public and private schools, colleges and universities in California. The purposes of the association are: (1) to promote access to a sequential music education for all Pre-K through Grade 12 students taught by fully qualified music educators; (2) to support and improve existing music programs; (3) to promote quality pre-service and in-service music teacher preparation programs; and, (4) to create a greater awareness of the value of music education through partnerships with other associations and advocacy among state and local agencies.
