Welcome Message

Welcome to the 2018 CCS Honor Concert. On behalf of the CMEA Central Coast Section Board of Directors, congratulations to the top young musicians from four counties - Monterey, San Benito, San Luis Obispo and Santa Cruz, who perform today and to those who made the extraordinary effort to audition for these high caliber ensembles.

Our Honors Concerts are the largest events we produce annually, building cohesion of pedagogy in the art form and establishing a high standard for music education within our section. Students are able to expand their study of music with the support of their communities, families, teachers and school administrators by auditioning or participating in this event. Thank you for valuing arts education by supporting a young person's journey to this stage. Each note represents the hard work and dedication of the student musicians as well as the people behind them who help see potential and value in this life long skill that preserves culture and tradition.

The guest conductors have selected and prepared some challenging and engaging repertoire while winning the respect and hearts of our Central Coast students and educators. Our students have built new connections with peer musicians and have grown as young adults while preparing for this event -- all in less than 48 hours! Thorough preparation by the conductors and teachers, and diligent work done by the students combine to bring an extra sense of refinement to the concert. If you agree, thank an administrator for keeping music in our schools, and thank a teacher for supporting the professional membership of CMEA/NAfME.

Today's concert is being digitally recorded and will be available for purchase. We encourage you to take advantage of this opportunity to obtain a professional recording that preserves and documents this accomplishment for your student musician and family. Ordering information can be found on the back page of this program.

Please plan to enjoy the entire concert. Concert etiquette and respect for the musicians asks that you silence all electronics, escort distressed children to the lobby, and use flash photography only between pieces. It is also requested that, if necessary, you enter or exit only between performances. Thank you for supporting a truly balanced curriculum for your student that includes music education. Enjoy the concert!

Best Regards,
Christy Latham, President

Middle School Honor Choir Conductor

Lou De La Rosa is the Director of Choral and Vocal Studies and Music Department Chair at the Cilker School of Art & Design at West Valley College.

His choirs have performed in the Kennedy Center and Carnegie Hall, as well as historic venues in Europe and throughout the United States. While at West Valley College, Lou has collaborated with numerous choirs including The Choral Project, Australian Voices, San Jose State University Choirs, Santa Clara University Chamber Singers, San Francisco State University Chamber Singers, CSU East Bay Chamber Singers, Symphony Silicon Valley Chorale, Santa Clara Chorale, and Viva La Musica.

He has guest conducted The Winchester Orchestra of San Jose, The Santa Clara Chorale, and honor choirs throughout the state. In 2013, he guest conducted the San Jose State University in concert with the Rolling Stones, and he prepared Symphony Silicon Valley Chorale to perform The Lord of the Rings Trilogy in 2015.

Lou De La Rosa has taught music in San Jose for over 30 years, thirteen of which were at Abraham Lincoln High School, an Academic, Visual & Performing Arts Magnet, where his choirs regularly received first-place awards at national music festivals and competitions. In 2001, both his Concert Choir and Chamber Choir were named Musicfest Orlando Festival Sweepstakes winners, garnering the top scores of more than 250 choirs performing that season.

Lou De La Rosa has actively served his profession on the boards of numerous organizations. As President of the California chapter of the American Choral Directors Association (2015-17), he oversaw the streamlining of operations and finances, and the founding of the California Choral Directors Association, a 501c3 corporation.

Mr. De La Rosa received his BA Music in Voice and MA Music in Choral Conducting from San Jose State University. He was named Teacher of the Year in 1991 and 2002, and received commendation from the West Valley College Academic Senate for Community Involvement in 2010.
