Welcome Message

Welcome to the 2021 CCS Honor Concert. On behalf of the CMEA Central Coast Section Board of Directors, congratulations to the top young musicians from our four counties - Monterey, San Benito, San Luis Obispo and Santa Cruz, who perform today.

It is with great appreciation to the different publishing companies. Each taking time to offer step by step instructions to make sure the ensembles you see have the proper streaming licenses for the music played. To Jesse DeCarlo, the video/sound editor, who was able to put everything together in the

format that you see today.

Our Honors Concerts are the largest events we produce annually, building cohesion of pedagogy in the art form and establishing a high standard for music education within our section. Students are able to expand their study of music with the support of their communities, families, teachers and school administrators by participating in this event. Thank you for valuing arts education by supporting a young person's journey to this stage. Each note represents the hard work and dedication of the student musicians as well as the people behind them who help see potential and value in this life-long skill that preserves culture and tradition.

Through preparation by the teachers, the chairpersons and the diligent work done by the students combined bring an extra sense of refinement to the concert. If you agree, thank an administrator for keeping music in our school, and thank a teacher for supporting the professional membership of CMEA/NAfME.

This concert can also be viewed on our YouTube link found at ccsmusic.org.

Please enjoy the concert!

Best Regards,
