

California Music Educators Association

Central Coast Section

Young Ensemble Showcase

February 10, 2018

10:00am - 3:00pm

On February 10, 2018, the CMEA- Central Coast Section will host the second annual *YES! Young Ensemble Showcase*. Elementary and middle school music programs are invited to perform and watch, giving students and teachers an opportunity to observe, share, and learn. It will be held from 10:00am to 3:00pm at Santa Cruz High School.

This festival is an opportunity for your K-8 students to perform for an audience. This is a non-adjudicated event intended to highlight the strengths of school music programs while giving students an opportunity to be an audience for others. All ensembles are invited, including but not limited to: choir, concert band, ukulele/recorder/Orff ensemble, general music class, etc. Understandably, many of our elementary programs do not have formal performing groups. We encourage you to think outside the box. Perhaps there are a few students from each of your general music classes that could perform a piece they have learned in class.

You will have a 10-minute time period to perform and the rest of the session will be spent as an audience member or participant in one of our workshops. We are anticipating more participation this year and plan to have two separate 3-hour sessions: “A Session” 10:00am-1:00pm and “B Session” 12:00pm-3:00pm. Each ensemble is expected to attend the entire A or B session in order to:

- 1) Allow students to be listeners as well as performers
- 2) Permit others to experience your school music program
- 3) Offer your students a workshop in an activity they may not experience in your classroom
- 4) Have an opportunity to see local musicians and peers
- 5) Provide a full audience for all performing groups.

Lastly, you must be a CMEA member to participate. This year we are asking for a \$25 registration fee per school in order to break even with custodial/rental costs. Fee may be waived with prior approval.

Details and schedule are subject to change. Questions? Katrina Haeger at khaeger@sccs.net.
